ABOUT THE MAIN STAGE

We are dedicated to teaching solid foundational skills and techniques to students of all ages and abilities in a safe, professional, and encouraging learning environment. Our goal is to help develop your true potential and provide opportunities to showcase new skills learned. We participate in many community functions and host an annual recital. Our instructors are professional musicians and dancers who perform with well-known country and bluegrass artist and dance on the Grand-Ole Opry. Our instructors are capable of training for competitive avenues or just for fun!

The owners of The Main Stage are husband and wife team, Larry & Cheryl Chunn. They share the same passion for giving to others the gift of music and dance. Both perform as dancers on the Grand-Ole Opry as well as perform with the bluegrass band, A Step Ahead.

The Main Stage is open year-round. We offer flexible schedules and **NO CONTRACTS!** We offer many performance opportunities throughout the year such as, community events, monthly showcases, and an annual recital production. Tuition for classes and lessons are based on a flat, monthly rate, regardless of attendance. *(A credit or make-up will be given if the instructor is absent).* There is a **ANNUAL \$25** Registration Fee due at sign-up.
